SECTION 2 | WHY ACCA + WHY ZSKILLUP

TWO STRENGTHS. ENDLESS POSSIBILITIES.

Global Recognition. Career-Ready Learning.

Build professional finance capabilities through ACCA-aligned learning, while developing the digital, AI and workplace skills modern finance careers increasingly demand.

WHY ACCA?

A Globally Respected Professional Qualification

ACCA is a global professional accountancy body with members and future members across 180 countries, preparing finance professionals for careers across industries and markets.

Global Recognition Build professional knowledge recognised across international markets.	Broad Career Possibilities Explore opportunities across accounting, finance, audit, taxation, reporting, advisory and business.
Future-Focused Qualification Develop technical, business, digital and professional capabilities.	Global Community Become part of an international community of finance professionals.

WHY ZSKILLUP?

Go Beyond Exam Preparation

The Global Finance & AI Professional Program brings together ACCA-aligned professional learning, degree pathways, AI-enabled finance skills and structured employability preparation.

Structured Professional Learning

Follow a clear learning journey from finance fundamentals to advanced professional topics, supported by structured preparation, revision and practice.

Free AI & Digital Finance Classes

Go beyond the core curriculum with additional learning in AI, financial modelling, analytics and technology-driven financial decision-making.

Free Career Readiness Sessions

Build your CV, LinkedIn profile, communication and interview skills through dedicated career-readiness sessions alongside your academic and professional learning.

Best-in-Class Industry Faculty

Learn from academic toppers and experienced industry professionals, including faculty members with achievements across CA, CS, FRM, CPA and ACCA, bringing practical industry context into every class.

Professional Preparation

Strengthen your exam readiness through structured revision, mock exams, practice and exam-focused preparation.

SECTION 3 | CHOOSE YOUR PROGRAM

CHOOSE YOUR PATHWAY

One Career Goal. Three Ways to Get There.

Whether you're starting after Class 12, already pursuing a degree, or focused specifically on ACCA, choose the pathway that fits where you are today.

B.Com + ACCA	BBA + ACCA	ACCA Only
DEGREE + PROFESSIONAL PATHWAY	DEGREE + PROFESSIONAL PATHWAY	PROFESSIONAL LEARNING PATHWAY
Build your commerce degree while developing ACCA-aligned professional finance knowledge, AI capabilities and structured career readiness.	Combine business and management education with ACCA-aligned finance learning, AI capabilities and professional career preparation.	Prepare for your ACCA journey through structured live online and recorded learning, professional preparation and career-ready support.

SECTION 4 | LEARNING EXPERIENCE

THE LEARNING EXPERIENCE

Everything You Need to Learn, Practice and Progress

A structured digital learning environment designed to keep your academics, professional preparation and career development connected throughout your journey.

Structured Learning Journey

Know what to learn, when to learn it and how each stage connects to your larger career pathway.

Recorded Learning

Revisit learning content and strengthen concepts at your own pace.

Revision & Exam Preparation

Strengthen exam readiness through revision, mock exams and exam-focused preparation.

Live Online Learning

Learn through guided online sessions with experienced faculty and subject experts.

Practice & Assessments

Apply what you learn through structured practice and assessments.

Career Readiness Learning

Build communication, CV, LinkedIn and interview capabilities alongside your professional learning.

Section 5 | Meet Your Faculty

SECTION 7 | HOMEPAGE FAQs

What is the Global Finance & AI Professional Program?

It is a professional learning ecosystem combining ACCA-aligned finance education, AI and digital finance capabilities, employability preparation and, in selected pathways, an online B.Com or BBA degree.

Which programs can I choose from?

You can choose from B.Com + ACCA, BBA + ACCA or ACCA Only depending on your current education and career plans.

Are B.Com + ACCA and BBA + ACCA online?

Yes. Both degree-integrated pathways are designed as three-year, six-semester online programs.

Is ACCA Only a degree program?

No. ACCA Only is a professional preparation pathway and does not award a B.Com or BBA degree.

Are ACCA exemptions available?

The proposed degree-integrated curriculum is designed to seek up to 8 ACCA exam exemptions, subject to formal ACCA exemption accreditation, the final university curriculum and individual eligibility.

I am not sure which pathway is right for me. What should I do?

Talk to our program advisory team. We will understand your current education, career plans and preferred learning pathway before helping you explore the available options.

PAGE 9 | DETAILED FAQ

Everything You Need to Know

Answers about programs, universities, ACCA, exemptions, online learning, fees and career preparation.

ABOUT THE PROGRAM

What is the Global Finance & AI Professional Program?

It is ZSkillup's umbrella professional learning offering combining ACCA-aligned finance education, AI and digital finance capabilities, employability preparation and selected university degree pathways.

What are the three pathways?

B.Com + ACCA, BBA + ACCA and ACCA Only.

How do I choose between them?

Choose B.Com + ACCA if you want a commerce-led undergraduate pathway, BBA + ACCA if you prefer broader business and management education, and ACCA Only if your primary requirement is structured ACCA preparation without an integrated B.Com or BBA degree.

B.COM + ACCA / BBA + ACCA

Are these degree programs?

Yes. The B.Com and BBA pathways include an online undergraduate degree awarded by the selected university partner, subject to the university's admission and academic requirements.

Who awards the degree?

The degree is awarded by the university selected for your program.

How long are the programs?

Both pathways are designed across three years and six semesters.

Are the programs online?

Yes.

What is the difference between B.Com + ACCA and BBA + ACCA?

B.Com places greater academic emphasis on commerce, accounting and related disciplines. BBA adds broader management learning across areas such as marketing, operations, organisations, strategy and entrepreneurship.

Can I choose my university?

Available university options will be displayed on the website as partnerships and admissions open.

What are the eligibility requirements?

Eligibility depends on the university chosen. The applicable requirements will be displayed on each university-specific page.

ACCA

What is ACCA?

ACCA is a globally recognised professional accountancy body with members and future members across 180 countries.

How many ACCA exemptions can I get?

The proposed integrated degree pathways are designed to seek up to 8 ACCA exam exemptions. The final number will depend on formal ACCA accreditation, the approved university curriculum and the student's eligibility.

Are Strategic Professional exams exempted?

No. Strategic Professional examinations are not exemptible.

Is ACCA changing its qualification structure?

Yes. ACCA is introducing a redesigned structure consisting of Knowledge, Expertise and Strategic Professional levels, with transition beginning in 2027.

What if I have already started ACCA?

Your starting point and study plan should be mapped based on the exams or exemptions you already hold and ACCA's applicable transition rules.

ACCA ONLY

Is ACCA Only a degree?

No. It is a professional preparation program.

How long does ACCA Only take?

The learning pathway is self-paced. Your overall ACCA journey depends on your starting level, exemptions, examination progress and study pace.

Do I need to be a B.Com student?

No. ZSkillup's ACCA preparation pathway is not restricted to B.Com students.

Are classes live or recorded?

The program includes live online and recorded learning.

LEARNING

What will I learn apart from ACCA subjects?

The proposed curriculum adds AI and financial modelling, business communication, CV and LinkedIn preparation, interview skills, mock interviews, group discussions and placement preparation.

Is AI included in the program?

Yes. AI, Financial Modelling & Business Decision Making forms part of the proposed integrated curriculum.

Will I receive career support?

Career-readiness learning is built into the curriculum. The exact career and placement services available may vary by program and university.

Does ZSkillup guarantee a job?

No. The program provides learning and career-preparation support but does not guarantee employment.

FEES & ADMISSIONS

What is the program fee?

Fees vary across the three pathways and, for degree programs, by university partner. Refer to the Fees page or speak with an advisor for the applicable fee sheet.

Are ACCA fees included?

The final fee sheet will specify what is included. ACCA registration, subscription, examination and exemption fees may be separately payable.

Are instalment options available?

Payment options depend on the selected program and university partner.

How do I apply?

Complete the enquiry form or select Talk to an Advisor. The team will help you identify the relevant pathway and guide you through the next steps.
